MINISTERS MESSAGE FOR THE MONTH

As I write the article for the first church Newsletter of 2022, its my first chance to wish everyone a happy new year! It has been a slow start to the year with activities temporarily on hold in January as a precaution against Covid.

Mentally I think we like to start new things and especially new years with bursts of enthusiasm like those crazy people who rush into the sea on New Year's Day. But we have not been able to rush enthusiastically into the new year with our usual activities and it reminds of the passage in Ecclesiastes3:1-8

‘To every thing there is a season, and a time to every purpose under the heaven: a time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted; a time to kill, and a time to heal; a time to break down, and a time to build up; a time to weep, and a time to laugh; a time to mourn, and a time to dance; a time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing; a time to get, and a time to lose; a time to keep, and a time to cast away; a time to rend, and a time to sew; a time to keep silence, and a time to speak; a time to love, and a time to hate; a time of war, and a time of peace.’

When we look at the natural world around us it is dormant, plants are waiting for the weather to improve although the first signs of Spring are visible in the buds on the trees and the green shoots of bulbs coming up amongst the leaf litter on the ground. And perhaps we need to learn to be patient with the limitations that meet us whether practical or physical trusting that warmer weather and opportunities to meet and share fellowship together will be with us again.

We can trust that things will pick up again and that this period of dormancy is in the natural order of things, but that God is with us through all the seasons of our lives, in the sadness and the joy, in the business and the resting, in health and in periods of ill health, and finally welcomes us home in the fullness of time.

But before that we have much to be getting on with our first Friday lunch to look forward to on the 4th of February and our brunch before our family service on the first Sunday in February (the 6th of Feb) as well as all our other activities.

I hope that you will be joining us as we gather in church over the next few Sundays to draw close to God, to pray, to sing together and be uplifted by the fellowship we share together in Christ Jesus our Lord.

God bless.

Liz

Closing Prayer

Summary of the P.C.C. Meeting held

Tuesday 25th January 2022.

Following opening prayers the minutes of the previous meeting were approved and signed. Matters arising from the minutes dealt with.

CORRESPONDANCE. A letter was received from Edwin indicating that he is stepping down from the PCC after many years of faithful service to the PCC. The PCC would like to put on record their thanks for his time and dedication to the Church over the years.

FINANCE. The annual accounts were laid before the PCC for approval and will be made available to the congregation at the annual meeting in April once they have been checked by the Church auditors. In summary, St Thomas met its financial obligations for the year and everyone should be very proud of their efforts.

FABRIC. The Church wardens are looking to replace the cast iron air vents on the outside of the Church. Replacing these is part of the quinquennial survey. They are also working with Rev Liz to firm up plans for the proposed mural to go on the pebble dashed wall outside. The fire doors need staining to blend in with the surrounds, if anyone fancies helping out, please let us know.

SAFEGUARDING. The DBS police checks will now take place every 3 years not 5 and as such, some people will need to renew them. But we will let you know if its you in plenty of time. The renewal can be using a paper form or online. The advantage on online is that future renewals can be done at the press of a button.

NEW SERVICES. Rev Liz is going to run a morning prayer service on Friday mornings at 11:00am. This will tie in nicely

with Lent lunches by allowing people to join in a short service and then have something to eat afterwards.

REVIEW CHRISTMAS SERVICES. The PCC looked at the services and decided that in general all were well run and attended. But there were some things that can be improved on or changed for next year. The Christingle service was a bit rushed so will work with the school to try and get a little more time. The postcard invitations will be stopped as the main problem was delivering them and gauging how beneficial they are. Instead we will look for the likes of putting an advert in the paper or posters outside Church, local shops, schools, hotels and businesses.

ECO CHURCH. The Sunday school will soon be handing out jam jars to collect money for an eco charity. The idea is to put ‘fines’ in the jar for example 10p if you pick the papers up by bus, 20p for using a car, 50p for using a plane. Eco projects could be used throughout the Church during the year.

CHURCH GROUPS & MEETINGS. We have now been given the go-ahead to serve refreshments again. So the PCC has decided to follow the government guidelines and start all of the Church groups from 31st January.

LENT LUNCHESES. These will be starting very shortly and we have agreed that the monies raised will go to the Douglas Coal Fund.

SUB-COMMITTEES. The new sub-committees will start up in February. These are not designed to replace the PCC but to compliment it. We will be starting with a Fund raising, Re-ordering and Standing committees. You will be hearing more about these as time goes on.

REFURBISHMENT / RE-ORDERING PLANS. The DAC (Diocesan Advisory Committee) met at St Thomas recently to discuss the plans that are available at the back of Church. They were broadly in favour of our proposals but would like to see some more work on commitments from prospective users of the new community space. If anyone has any comments to make, please make your thoughts known whether you are in favour or not, we won't be offended if you don't like what you see. But it is only together that we can truly build a sustainable long term future for our Church.
